WHY ENHANCE YOUR DIGITAL SKILLS?

 **Resumes and Interviews:** Get ahead in the post-school world! Having the latest digital skills on your resume can give you an edge, making you stand out to potential employers during interviews.

 **Ready Set Work Program:** Digital tools and practices can supercharge your efficiency and productivity. They'll help you tackle your work tasks with ease, whether you're starting your career or exploring new opportunities.

 **From Ideas to Business:** In the digital realm, the possibilities for innovation are endless. Whether you're automating tasks with AI or diving into market insights with data analytics, these skills can transform your ideas into successful business ventures.

 **Drone Technology:** Dive into the exciting world of drones! From capturing breathtaking aerial shots to advancing industries like agriculture and delivery services, drones are revolutionizing how we see and interact with the world. Explore the endless possibilities of this high-flying technology.

 **Social Media Marketing:** Discover the power of social media! In today's digital age, effectively leveraging platforms like Facebook, Instagram, and Twitter is essential for businesses and individuals. Learn how to create engaging content, build a loyal following, and make your mark in the dynamic world of social media marketing.

ABOUT THE PROGRAM

Graduating high school? Get ready for the FutureSkills4U Regional and Rural QLD Digital Skills Program! It's part of a cool initiative by the Queensland Government, offering FREE digital training through the Go 1 platform.

The best part? You can learn at your own pace, whenever you want! All you need is a computer, tablet, or device with basic specs and an internet connection. This opportunity is open until December 2023, so it fits perfectly with your busy schedule.

When you sign up, we'll just ask a few quick questions, like why you're excited about boosting your digital skills. It's important because spots are limited, and we want to ensure everyone's committed to finishing at least one course.

The FutureSkills4U Rural and Regional Digital Skills Development Program is brought to you by the awesome Australian Impact Group. Ready to level up your digital skills?
